Dear Carlos;

From one realtor to another, we often hear complaints about our associates. I just thought I would take this opportunity to write regarding Bonnie Brooks and Ilene Tessler.

It was a pleasure that during the term of my initial listing they obtained a qualified purchaser, sold my house for a satisfactory price, and in fact, at the closing the buyer, the seller and the brokers were all happy.

Carlos, a well done to your staff, and I look forward to seeing you soon at Williams Island.

Very Truly Yours,

WILLIAMS ISLAND ASSOCIATES, LTD.
